RE: PRODUCT AWARD NOTIFICATION.

We are aware that this notification will come to you as a surprise but please find time to read it carefully as we congratulate you over your success on the following official publication of results from our ongoing Online Raffle Draws as Organized by Microsoft Corporation, foundation for software products and the consortium of software promotion companies i.e. The Intel Group, Toshiba, Dell Computers and other International Companies which was tagged Microsoft Edinburgh 2019 Product Award. This programme is held every year around the world with this aim of encouraging this use of Microsoft Products and other software for computer Literacy worldwide. We do believe that your emergence for the 3rd Category Prize award of (£870,000.00) as drawn against your E-mail address from the result of our online e-mail beta draws held here in Edinburgh United Kingdom will help and promote your active patronage to Microsoft and FSP Products.

We wish to formally announce to you that you have successfully passed the requirements, satisfactory obligation, verification and satisfactory report test as conducted for all our online winners. A winning cheque of £870,000.00 (Eight Hundred And Seventy Thousand Great British Pounds Sterling Only) in your name and A Brand New 2019 Matte Black Surface Laptop(2) which was consequently staked to be won by the 3rd Category will be sent to you from Microsoft Edinburgh Regional Office here in the United Kingdom. We hereby advise you to establish an immediate contact Via E-mail with the MS-FSP Europe Payment processing Unit of Microsoft Edinburgh United Kingdom with the following details to avoid unnecessary delay and complications in releasing your payment to you.
